

# FeedHV

## Community Food Network

Have a car, some time to volunteer  
and the drive to help others?

**Become a FeedHV Food Hero!**

**With FeedHV you can!** Here in the Hudson Valley, 1 in 10 of our neighbors goes hungry, while 40% of food is wasted. FeedHV is a community network that rescues, harvests and process food that would otherwise go to waste and redirects it to food assistance agencies.

**FeedHV volunteers** transport food donations (from farms, restaurants, institutions, and more) to feeding agencies (food pantries, soup kitchens, and other locations) on their own schedule, and when they can.

**Low commitment – highly rewarding!** Sign up today at [FeedHV.org](https://FeedHV.org) to reduce hunger and reduce waste! Contact us at [info@feedhv.org](mailto:info@feedhv.org) or 518-432-5360.
